Crochet, Knitting, Needlework and Arts and Crafts Perpetual Special Prize

A SPECIAL WOOL PRIZE

for an article made of wool in the Crochet, Knitting, Needlework or Arts and Crafts Sections.

This special prize acknowledges the fine traditions the crafts people of the Campbell Town District have of working with wool, as well as the history of and place wool and sheep hold at our show.

The item will utilise a noticeable and easily identifiable amount of wool derived from sheep. Entries in adult classes in the Crochet, Knitting, Needlework or Arts and Crafts sections of the Exhibition Hall Schedule are automatically eligible for this prize.

June Calvert Perpetual Trophy

Mrs Calvert's early beginnings exhibiting her crafts at the Campbell Town Show gave her much encouragement and many rewards. For this reason she would like to encourage other people to have confidence to continue in their chosen fields.

This trophy is an Encouragement Award for a craft person exhibiting skill, versatility, colour sense and fine finish in any hand craft. It is judged by a panel which includes one member of the Exhibition Hall Committee and two other judges.

We have pleasure in offering an original water colour painting by renowned artist Rosemary Mastnak for the winner to hold for a period of 12 months. The winner will also receive a ribbon to keep.

Tasmanian Wool Centre Prize

The Tasmanian Wool Centre at Ross has very generously sponsored this prize for the School that obtains the most number of points for the Children's Painting and Drawing Sections (12.1 - 12.9 inclusive). The winning school will be awarded books for their library.
